

# **Eco Council Newsletter**

**February**

**This is the New Year's edition!! Hope you enjoy**

This month's Eco Tips for energy saving:

- Don't use electronics as often by going outside to have fun instead of continuously using devices.
- Turn off the lights in your household to save energy.
- Buy energy efficient appliances like air-fryers, drying racks and more.
- Monitor your energy usage in your house by using energy monitors. You can get them at [currys.co.uk](http://currys.co.uk)

This Months Eco activity is:

Cycling! Head to a bike park with friends  
Or family.
