Our vision

We are 3 small schools where big things happen;
We celebrate the hidden treasure that we can nurture with joy and hope in every child.
We foster independence, develop courage and resilience and shape our children to be life-long learners so that they may -
Have faith, FLOURISH and fly high.

Head of School

Although this has been a short half-term, we have been really busy with lots of wonderful learning from the children. We have worked hard on promoting our 'Greatness', showing respect, positivity and kindness. I was so pleased with how we were able to show all these amazing things during our Ofsted inspection and the children are a credit to our school. Thank you to parents/carers as well for all your support this half term. I am always more than happy for you to contact me either on Class Dojo or through the office, please note my non-teaching days are Mondays and Tuesdays.
