

Rabbit Class Curriculum

Autumn Term 2025: Heroes Through Time

Welcome to a new, exciting term, and a special welcome to our new children and families.

This half term, our theme is **"Heroes Through Time"**—exploring both real-life and fictional superheroes. We'll be learning through stories, creativity, and discovery, helping children grow as confident learners and kind friends.

What We're Learning

Your child will explore the world as:

- **Readers** – spotting sounds and words in books and everyday life
- **Writers** – Exploring with mark making, and writing simple words
- **Book Babblers** – sharing favourite stories and characters
- **Historians** – looking at family photos and talking about change
- **Scientists** – observing seasonal changes and weather
- **Geographers** – drawing maps of their journey to school
- **Artists** – creating firework and bonfire art
- **Mathematicians** – counting food and solving simple problems

Home Learning Expectations

We encourage:

- 📖 Reading or sharing a story at least **4 times a week**
- ➕ Exploring maths in the world around us, e.g. counting, measuring, using mathematical knowledge at home
- 🌐 Half-termly **topic tasks** linked to classroom learning (see below)

Topic Tasks:

👤 I Can Be a Reader

Find letter sounds and words in books or signs.

→ *Where did you spot them?*

✍️ I Can Be a Writer

Label body parts using sticky notes. Start by drawing yourself and then creating the labels.

→ *Can you stick them in the right places?*

📖 I Can Be a Book Babler

Rabbit Class Curriculum

Draw your favourite storybook.

→ *Who's your favourite character? Why?*

I Can Be a Historian

Look at family photos from different ages.

→ *How have people changed?*

I Can Be Creative

Design your own superhero costume.

→ *What's your superpower?*

I Can Be a Scientist

Spot signs of Autumn and Winter.

→ *What's the weather like? What clothes do you need?*

I Can Be a Geographer

Draw a map of your route to school.

→ *Do you walk or drive? What do you see?*

I Can Be an Artist

Create a bonfire or firework picture.

→ *What materials can you use?*

I Can Be a Mathematician

Count your toys or items at home, e.g. buttons, teddies, socks. Go on a nature walk, collect items.

→ *How many do you have altogether?*

We love seeing your child's learning at home—photos, drawings, and stories are always welcome! Let's make this term full of wonder, creativity, and superhero spirit.

Warm wishes,

The Rabbit Class Team
