10 January 2022

Dear Parents / Carers

Next week we will begin SATS booster sessions on Mondays after school, beginning on 17 January 2022, to prepare the children for the tests in May. The sessions will run from 3.30 pm to 4.30, so please collect your child from the playground at that time.

The children usually bring some sweets to keep them going, but please keep this to a sensible amount.

Please could you sign and return the form below to confirm that your child will be attending.

Mr Parker

My Child _____ will/will not be coming to SATS boosters on Mondays, beginning on 17th January 2022.

Signed _____
