The friend's fun day and Bingo was a great success.
A big thank you to all that helped and supported this event.

As a school we have a duty of care to promote healthy eating. Please do not send sweets and fizzy drinks in packed lunches.

For the first half of the summer term, the Seagulls learning group will be attending Forest Schools every Friday afternoon. Children will need to wear weather appropriate outdoor clothes and must have coats and suitable outdoor footwear, preferably wellies, as they are outside for 2 hours. Please come in to school in normal footwear and bring outdoor footwear to change into. Children will be travelling with DBS checked parents/staff and permission falls under our regular activities. (Year 6 will be attending forest schools after half term.)

Please ensure payment and orders for school dinners, milk and toast are paid in on Friday's for the following week. Please hand in ALL monies in sealed envelopes. Payments are much safer in envelopes with your child's name and what the money is for written on it. Envelopes are available in the foyer; please take them as you need them.

Children need to be in school by 8.50 each day. The door will be opened at 8.40. Please inform us of absence as soon as possible. Messages can be left on the school answerphone. Although head teachers are no longer allowed to authorise absences, if you know in advance that your child needs to be away from school please fill in an absence request form. All children need to have the correct PE kit in school daily.

Thank you for your continued support.
