Spring 2021

SPRING 2021

Welcome

We would like to welcome Leo and Charlie to Sculthorpe. They joined us when we opened fully to all pupils and have gone into Barn Owl and Tawny Owl Class.

Red Nose Day

The children had a great day on 19th March for Red Nose Day. They took part in different Red Nose activities including making their own Red Nose biscuit ready to eat.

We held a competition on Seesaw to design a red nose and were delighted by how many children took part. Well done to you all. Our winners received a pair of deely boppers and a certificate. Kit, a year 6, made trophies for first, second and third overall, which were amazing. Thank you Kit 😊.

So far you have raised £205!!! We still need to count all the 1p and 2ps, so the total will be more than that.

ALL BACK

The staff would like to say how proud we are of all the children over this very difficult time. They have had to deal with lots of change, again and again and again. We look forward to the Summer Term and what that may bring. Again, we would like to thank you all for your continued support. Enjoy Easter.

A Message from the Governors.

At last, the children are back at school after such a strange and difficult time for them.

Throughout this time the teachers have been in school, working tirelessly to plan and deliver lessons in school, and also for remote learning. They have also been phoning home to check on the home-learners.

During this time it has been my privilege to observe collective Worship on-line, where the children were learning the meaning of Compassion, and how it relates to everyday life. I felt it was particularly relevant at a time when many children were feeling lonely and isolated. I also observed a Celebration Assembly and it was so good to see so many parents joining in with the link up to school. It was wonderful to see the children sharing their work equally at home and in the classroom. The teacher could not contain her excitement about welcoming all the children back to school the next week. Throughout all this, the distinctive Christian values of the schools shone through.

Let us hope and pray that we really have seen the last lock down and say a huge "Well done!" to staff, parents and children alike.

Gillian Yarham Ethos & Community Governor

Claire Freedman

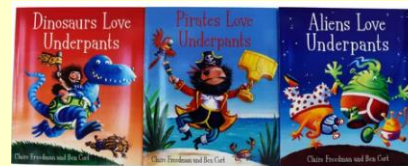

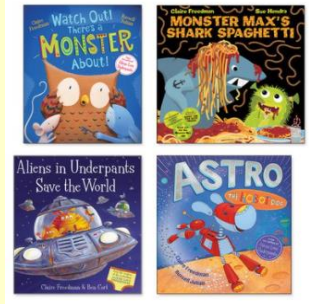

On Tuesday 23rd March the children were lucky to have a chance to meet with Claire Freedman virtually.

Claire Freedman is an author of 20 years who has written over 100 books, including the 'Aliens Love Underpants' series.

Claire spent time with each class virtually, sharing her stories and answering questions with the younger children and answering questions and giving tips on writing for the older children.

If your child is interested in finding out more information about Claire Freedman then this is her website.

www.clairefreedman.co.uk

We would also like to thank Tesco for donating £80 to the school, towards resources in the classroom, as we missed out on our normal Christmas singing and bag packing due to COVID.

We would like to say thank you to Morrisons for providing popcorn and drinks for the children's viewing of the Panto at Christmas; they really enjoyed having this treat.

We would now like to say a **MASSIVE** thank you to the 'Friends of Sculthorpe' for applying for an award from Tesco Bags of Help.

This month they had their application accepted and have been awarded a fabulous £1000 towards revitalising the playground markings and providing some new equipment such as outdoor chalk boards, skipping ropes and balls.

On top of this they have provided each child in school with an Easter egg to take home
